TECHNICAL RIDER

TO ALL PROMOTERS IN ENGLAND, SCOTLAND & WALES – all of our equipment will be provided by ourselves up to an audience or venue size of around 200 people. Anything above that adequate lighting and scalable audio will need to be provided.

TO ALL PROMOTERS OUTSIDE OF ENGLAND, SCOTLAND & WALES – ALL equipment is to be provided by the promoter or venue. We trust your venue and technical specification to provide adequate sound and lighting for your venue.

Mixing Desk/Sound Console (**MUST HAVE**) – Adequate inputs for 2 microphones (XLR), 2 XLR inputs for connection to music source, high quality effect/reverb unit.

Cables – Long enough XLR Cables to reach centre stage easily.
