Hey! No pressure, if anything is too tricky then don't worry about it at all.

- 4x Bottles of room temperature mineral water
- 6x Bottles of cold mineral water
- A kettle
- A few beers (we prefer craft / IPA / Pale ales but will take anything you've got!)

We're likely to skip breakfast as we're arriving early, so if you have any of the following then that would be super helpful!

- Assorted snacks
- Fresh Fruit
- 3x any kind of sandwiches
