

Flum

RIGHT

LEFT

position of our instruments on stage
(this is how we prefer to put them if possible)

AUDIENCE

Keyboard: 1 jack output (D.I. when necessary)

Synthesizer: 1 jack output (D.I. when necessary)

Guitar: 1 cabinet (miking when necessary)

Drums: bass drum, snare, 1 tom, 1 floor tom, hi-hat, 1 ride, 1 crash, 1 china (miking when necessary)

Projector: we need a screen or a wall where to project our visuals when possible (we have our projector if you don't have one)

We also need 3 monitors

We need 4 sockets on keyboard side and 2 sockets on guitar side
