Quotes

"The lovely loose loping live sound of a band that loves playing together is authentic and unfakeable. Beware! Beware! could well make themselves a force to be reckoned with"

Tom Robinson, BBC 6 music and Fresh on the Net

"You know when you hear something really amazing and you're like wow , gonna try and catch up with them definitely soon"

Shell Zenner, Amazing Radio

"This is Sixth Sense EP by Beware! Beware! It's great stuff that, sounds of Archie Bronson Outfit, worth checking them out"

Be Reet Radio Show, Salford City Radio

"This is wonderful stuff - haunting, lots of minor chords, folk-inspired melodies and dark-edged chiming guitars - reminiscent of The Veils or even The Triffids. The singer's voice is equally evocative, wracked with some sort of weather beaten melancholy"

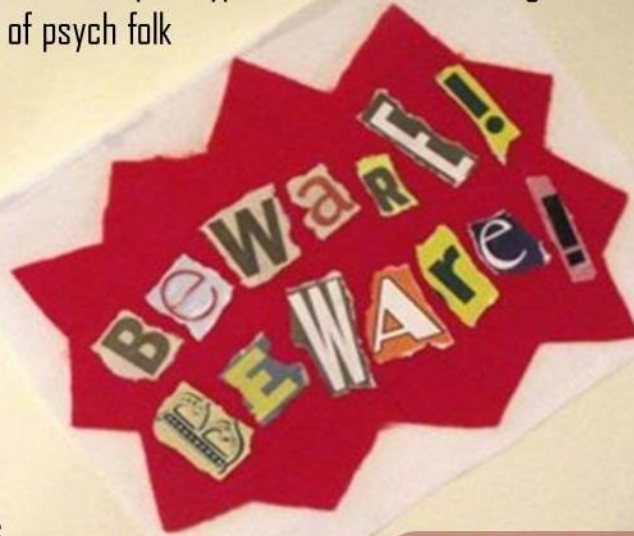

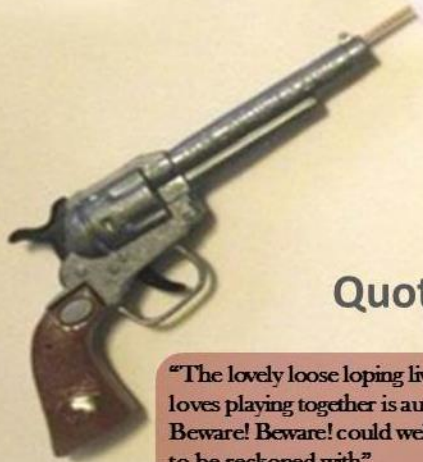

Cath Aubergine, Manchester Music
