

IVAN CASTRO

DJ

Iván Castro was born in Facatativá, Colombia in 1989. Since a young age he began to follow electronic music artists like Kraftwerk, Daft Punk, Carl Cox, Kerry Chandler and many more.

Ivan consider himself a quality sounds lover, the ones we find every month on his radio show “Introspectives” broadcasted on the Golden

Wings Music station based in Argentina. Also since 2014 he’s managing another radio show in a local capital city station called “Sounds Of The Night”

oriented to find new talents and promote global music trends, so far he has counted with renowned guests like Darin Epsilon, TILT, Jonas Saalbach, Sonic Union, East Cafe, Rich Curtis, alongside best local talent. This radio show has captured promoter's attention from all over the region and brings listeners a space with a new

electronic vision.

Always motivated by his music passion Ivan consistently delivers monthly top mixes and supports different DJ's around the world.

He had a show in a local station in Bogotá Colombia called "Sounds Of The Night" radio show oriented to

music

found new talents and impulse the new sounds in the local scene keeping it growing, counting with artist like Darin Epsilon, TILT, JonasSaalbach,Sonic Union,East Cafe, Rich Curtis, and local artist like David Duque, Nicolás Agudelo, Diego Ferrán, Vanch, Rikesto, Camilo Henao and many others,that radio show had

captured the attention of promoters and also new listeners from Colombia that found in that space a new vision of the electronic music.

Always with passion and hard work Iván deliver quality mixes and supports many other DJ's around the world every month.
