

TECHNICAL RIDER KATJA LUHTALA (SOLO)

MIXER CHANNELS:

1-2 Vocal microphones
1 Laptop, stereo
1 Keyboard (Nord Stage), stereo DI
1 Stomp DI
1 Guitar amp, DI

MONITORS, 1 or 2

1-2 MICROPHONE STANDS, type boom

When performing, I move so that sometimes I'm behind keyboards, sometimes in front, that's why two vocal microphones is the best, but not optional.
