

Blue Saint's Technical Specification / Rider

Blue Saint Will Bring:

- 3.5mm Mini Stereo to 2x 6.35mm Jack Y Splitter Cable.
- Mini Jack to RCA Phono Cable.
- Mobile computer (e.g. laptop, MacBook etc.) with backing tracks; a laptop is usually the device that Blue Saint brings.
- Shure SM58 (microphone).

The Venue Will Supply*:

- 2x Microphones.
- PA system.
- Device to connect laptop to PA system such as a 3.5mm to 6.35mm jack and/or cable

*If the venue is unable to provide any of the equipment above, please contact Blue Saint at Blue-Saint@outlook.com so other arrangements can be coordinated.

Thank you very much for your help, and look forward to seeing you. For further questions or clarification contact information can be found below.
