

## STAG'S WORLD OF ROCK

I managed to get a copy of Porthcawl's newest talent, Rebecca Hum's, stunning new E.P. "Lions". It's the singer/songwriter's debut C.D. and in the first 48 hours of its download release, it got to number 5 in the iTunes charts. The C.D. has four tracks, "Lions", "Lighthouse", "War" and "Wildfire". All four songs are strong, but "Lions" is my favourite and it shows off Rebecca's unique voice and her competent acoustic guitar work.
