

# Bohemian BET YEARS

SPEED - FOLK FREAK - PUNK

**Bohém:** cheerful people living an unconventional lifestyle, careless about social norms with light-minded and unwaried optimism

**Betyár:** outlaw bandits in the 18-19th century, who later turned into folk heros, fighting for social justice. Today they are irrespective young striplings

Formed in 2009, **Bohemian Betyars** is a fiddler band with a purpose to spread the feeling of bitter revelry (an oh so Hungarian specialty) the farthest possible. Self-described as **speed-folk freak-punk**, their music has evolved into a new, exciting mixture – including rocking punk, bouncing ska, swooping psychedelia, melodic themes all spiced up with Hungarian, Balkanic and Gipsy elements.

From **the Baltic Sea to the Atlantic Ocean**, in the last couple of years this real powerboost band made the audience dance about a thousand times. Be it on the street, at a club or a festival, the catchy tunes of Bohemian Betyars will yank you out of the mundane weekdays and throw you into the deep waters of delirium, just as it was planned to happen.
