STAFF

We will need a qualified sound engineer present throughout set up/ sound check. At the moment we do not have a regular engineer, so we depend heavily on the staff on-site.

SOUND & LIGHTING

We prefer an overall natural sound and lighting set up with minimal processing and effects. The lead and backing vocals both require reverb. Lead vocalist requires D/I access for guitar. Lighting can be discussed during sound check, it is important though that during the show there is always sufficient light for the lead vocalist to see the fret boards of their instruments.

EQUIPMENT

Sophie will supply her own instrument to be played by her only. Backing singer requires vocal mic SM58 and a mic stand.

ARRIVAL

Please provide detailed directions at least two weeks before the date of the show with the complete address of the venue and a telephone contact. We need a safe parking space available for our transport close to the venue. Please provide arrival, soundcheck and doors-open and on-stage times. The promoter or another person should be at the venue at arrival time.

FOOD & DRINKS

- 2 hot meals
- 6 bottles of still water
- 4 cans of Irn Bru
- Selection of beers

BACKSTAGE

A green room/ quiet area where Sophie can go to before and after the show. It would be great to have access to some chairs, a table, a mirror and bath room facilities.

ACCOMODATION

A warm, clean, and quiet accommodation for 2 persons with mattresses, bath room, shower and mirror. A safe parking space near the sleeping accommodation should be available.

MERCHANDISE

A table of approx. 1.5m length and a small light or some candles for our merchandising in the same room as the show, if possible.

ADVERTISING & PROMOTION

We have various means of promotional material we can send to you for advertising purposes. Don't hesitate to write, if you need posters or flyer and promo templates, logos or pictures in various file formats. Just get in contact with us.
