

Ernest Rambles – In House PA

Band Equipment List and Notes:

Dave – main guitar and vocals

- Acoustic Guitar with pickup, plugged into Marshall AS50R acoustic amp. Line Out from amp (1/4" jack) offers best sound to PA system.
- Electric Guitar plugged into Line 6 DT50 2x12 valve combo amp. Requires to be mic'd up for F.O.H PA
- Vocal Mic

Martin – bass and backing vocals

- Double Bass with 2 x pickups, plugged into pre-amp, plugged into PJB Suitcase Compact (2 Channel Bass Combo) – DI out from Amp (XLR) offers best choice for PA system.
- Electric Bass, plugged into same bass combo amp – DI out from Amp (XLR) offers best choice for PA system.
- Vocal Mic

Richard – Drums

- Acoustic Drum Kit – requires mic'ing if venue demands it.
- Richard predominantly plays with brushes, much quieter than sticks

Ashley - backing vocals

- Vocal Mic

Notes:

1. Drum Mic's can be provided by the band on request but need notification in advance.
2. Band can provide drum kit, or use the kit from another band, but need notification in advance.
