

CHASINGDEER

Catering Rider

This catering rider is based on typical standards and should be attempted at least basically by venues.

The well-being of a band on the road is very important.

We'd like to thank you in advance for your good will.

3 musicians (+ sometimes one or two tour companions)

Food: There are no vegetarians in the band. We eat everything except fish and mushrooms. Sandwiches, crisps etc.

Beverages:

- Enough water on stage for each member (2 bottles for singer)
- Any Coke or Soft Drinks are welcome

Warm Meals:

After the sound check or upon agreement with the group the organiser shall provide one warm meal for each band member (and tour companion if possible). Those meals can also be served at a near by restaurant.
