

HOSPITALITY RIDER 2017

TRAVELLING CREW : 7

PARKING

The band requires one parking spot for each of the vehicles/trailers they are driving to the concert. The parking spots need to be close enough to the stage that equipment does not need to be carried more than 100 meters. If this is not possible, there needs to be a temporary place to put the vehicle that carries the equipment close to the stage, so that the band can put the equipment on the stage. Then the vehicle/vehicles can be moved to a different place, no further away from the stage than 200 meters.

DRINKS

Unlimited quantity of still water, 12 items of beer, One bottle of whiskey (no Jack Daniels), orange juice and apple juice, 12 items of coca cola, snacks (fruits, chips, cheese, sandwiches), 2 times hot meal per person per day.

BACKSTAGE

The band require a backstage area. Closeable room so that the band can change clothes in private, small table, illuminated mirror. The band will need the backstage area for themselves for at least 1 hour before and 1 hour after the show. There has to be a clean toilet in close proximity. There needs to be 20 bottles of clean, unopened, bottled still water in the backstage area. Also 7 clean towels are required.

ON STAGE

There should be one unopened bottle of still water available on stage for each band member and clean towels for each of the member on stage.
