

# *Technical Rider*

*of...*

*For a successful performance with DJ Thomas Weser*

## **Needed are:**

- ***2 Technics turntables model 1210 MK 2 or adequate premium quality DJ turntables with direct drive and (functioning) pitch control incl. cartridges, stylus etc.***
- ***1 premium quality DJ mixing console with preferably four channels with separate EQ for each channel plus microphone channel, for example Pioneer from DJM 500 upwards or adequate models by Vestax, Allen & Heath etc.***
- ***1 (better: 2) monitor speakers of premium sound quality and reliability, depending on the size and layout of the venue. Plus adequate amplification.***
- ***Plus enough tables or whatever to put the equipment and the record boxes on, as well as other things like drinks, ashtrays etc.***
- ***A regular performance lasts 2 hours minimum, up to 4 or 5 or even longer.***
- ***A supply of cold drinks (water, juice, beer), maybe some fruits and snacks, depending on the situation also a towel are factors that make a lot of things easier and are likely to enhance the performance...***
