

ZEIHTA

After years of perfecting her sound and technique, Zeihta is an upcoming techno DJ and producer, born in Romania and living in Berlin.

“Zeihta [is] a girl that discovered the passion for techno in her long trips around Europe's biggest cities. No wonder she settled in Berlin, as the city definitely absorbed Zeihta and injected the love for raw 130 bpm techno, so unusual for a delicate presence.” (Vibe FM, #1 electronic music radio station in Romania)

Past gigs: Berlin (Tresor, Stattbad Wedding, Suicide Circus, Ohm etc.), Tel Aviv, India (Sunburn Festival) & more.
