

Coffee & Curry [lat. ; Cafēum et condimentum] is a duo of german DJ's and producers based in Münster and Osnabrück.

Founded at the beginning of 2016, as a result of a long-standing musical relationship between the two collaborators, who mark together the interface between minimalism and atmosphere, between technoide and depth.

Before working professionally, the pair had already made music together like in the Dockville Festival Hamburg, the Juwi-Fest in Münster, the Fusion Club in Münster, Mederland, and a number of open air festivals around Osnabrück.

Their musical architecture and arrangements of basses led them to keep evolving and sharing their passion for music. In April 2016 they celebrated the beginning of their journey as a duo and immerse their audience in a landscape of sounds and rhythms.

Let yourself be carried away into a world of synthetic melodies and tonal poetry, full of flat sounds and dynamic basses.
