Bernardo Sousa guitar

### **The Band brings:**

- 1 bass guitar
- 2 e-guitars
- 1 bass amp (Ampeg V4 + bass box)
- 2 guitar amps (Blackstar Artisan 15 Combo + Fender Bassman)
- 1 drumset
- all necessary cables except the listed things below

### **The Band needs:**

- 1 microphone for vocal performance (e.g. SM58) with XLR cable
- 1 microphone stand with boom arm
- plate reverb on the vocal channel including the monitors
- 2 monitor boxes with 2 monitor ways
- 2 DI boxes (2 computer interface)
- 1 microphone (MD421, M88 or SM57) for the bass box
- 4/6 microphones for drumset: (bassdrum 1 microphone, tom 2 microphones, snare drum 1 microphone, optional overhead 2 microphones)

### **Hospitality:**

- accommodation for 4 persons
- alcoholic and non-alcoholic drinks
- a warm meal
- shuttle service from the venue to the accommodation
- 5 guest list spots
- a table for merchandise

Please note that it may be possible that the band won't be able to perform if important things on this list are not available. So: if there are any problems, please contact the band, the promoter or the booker as soon as possible!
