

MINA'S TECHNICAL RIDER

PIONEER DJ: XDJ-RX

MACBOOK PRO

Clubs / Venues / Festivals / Private Parties:

A standard DJ setup (in perfect working condition) with:

- **Soundsystem:** speakers & amplifier(s) - high quality with sufficient power & headroom.
 - **DJ mixer:** Pioneer XDJ-RX (pictured above). If the venue does not have this equipment, Mina will bring her portable system.
 - **Monitor speaker(s):** one (or two) near the DJ setup, level adjustable from the DJ mixer.
 - **Microphone:** Shure SM58 or similar dynamic mic, connected to the DJ mixer.
- The DJ setup should be on a table or stand of 90-100 cm height.

Please note: Mina will bring a laptop, external controller(s), and the Pioneer XDJ-RX if not available at the site.

- Free space of at least 45 x 45 cm is needed behind or next to the DJ setup.

Small Parties (<80 people):

For small parties Mina can perform with just her laptop and Pioneer XDJ-RX that she will bring. Please be sure to have a proper sound system in place with time to do a sound check. If there are any questions or issues, please contact her ahead of time to make necessary arrangements.
