

As an alternative to the madness of the world, ZERO ONE DEATH combine high-energy rock with catchy hooks and electronica elements to create the sound of a new generation. The Band was born in the tumultuous times of 2016. For singer/guitarist Matt, bass player Michael and drummer Mike the band ZERO ONE DEATH is an outlet to deal with all the insanity that is going on in the world. Inspired by their own lives and with their unique sound, they are a musical inferno of a special kind and know to convince with their live-show. Do not miss this guys.
