

Well Happy Band Stage Rider 2017/18

There will be between 10 and 13 of us playing the gig

We require a backline for the band, please let us know if there is no backline supplied

- Standard drum kit - 2 rack toms and floor tom, 3 cymbal stands etc, throne. Drummer brings his own cymbals, kick pedal and snare drum
- Bass amp,
- 2 guitar amps
- Keyboard stand (would like a keyboard amp but can be D.I'd with a monitor)
- Water, Beer & Cider for 10. Rum, Cola, selection of Herbal Teas. Snacks, or catering if available at a festival
- A place for equipment storage and private covered area for no less than 1 hour before and after the performance.
- Full rights to sell our merchandise and an area to do so without a venue or other trader taking any percentage, unless otherwise agreed.
- We expect security in the venue to be aware of the level of crowd participation with fans joining us on stage.
- One guest list per band member.

We **Do Not** have a sound tech

No special monitor effects or mixes needed, just an even mix. Sound tech discretion to suit the venue. This is the full band if everyone is playing, theres a few that don't make them all.
