

Diogo Antunes

"BRAGUESA"

Technical Rider:

Braguesa is a very little technical demanding one man show that is setup as follow:

Duration: 90 minutes with no interval

Input Lines: 4

1 and 2: Stereo Loop Station. A stereo D.I box is needed.

3: Braguesa Guitar. A clip microphone is needed (ex. DPA d:vote 4099 Guitar)

4: Vocals. Any suitable microphone with stand for vocals.

Output Lines: 3

1: Guitar monitor line

2: Loop Station monitor line

3: Vocals monitor line

All of this lines can be delivered by wired in ear or speaker
