## TECHNICAL SPECIFICATIONS

Need a small monitor to listen to vocals and keyboard on stage.

Material needed:

2 tripods

2 vocal mics (one near the keyboard, another one near the guitar)

### VOCALS MICROPHONES

Shure Beta 87 A or SM 58 or equivalent

### ELECTRIC GUITAR

A DI box to connect the guitar to the mixer

### KEYBOARD

A stereo DI box or two mono DI box to connect the keyboard to the mixer

### DRUMS

If there is a drum on set please let me know, I might use it or take a drummer with me
