**Please note:**

engineer provides
venue provides
negotiable

Future Get Down requires minimum 45 minutes soundcheck time once in-house patch has been completed (see attached Stage Plot) and will often travel with an **X32 control package**.

If specific requirements cannot be met, please let us know and we will do our best to work with you to produce a great show for all involved.

## Future Get Down Monitors

**Venue:** Medium Club

**Date:** Summer 2017

**FOH Contact:** Greg Smart

(+44 784 111 3149)

**MON Contact:** N/A
