

PETER CONWAY

"This man pours all of himself, every fibre, every sinew, every essence of his being and spirit into each syllable and note." Tim Carroll - 'Folk Words' Live Review

*"...one of the most soulful, expressive voices of his generation.
Malcolm Carter -www.pennyblackmusic.co.uk*

Peter Conway is an acclaimed independent singer songwriter with a unique unforgettable voice and song delivery. Creating music celebrated by fans and the music press alike as being deeply emotive, with a sound that is both soulful and rootsy. With his signature style, an award winning album ('Stay') and already eleven songs in nine feature films Peter Conway is winning hearts and minds the world over.

From intimate solo acoustic tours, appearances at renowned music festivals and having his songs featured in Hollywood blockbuster movies and award nominated British independents, to being featured on respected singer songwriter compilation albums alongside artists such as Ben Howard and Jose Gonzales. One record at a time Peter is nurturing an organic word of mouth fan base, with thousands of people around the world every month streaming and downloading his music.

This year in 2018 Peter will be releasing his third studio album titled 'Beyond The Frontier' a deeply acoustic folk, soul and roots record about life and love and will be touring it throughout the UK and Europe.

"He wouldn't look out of place among the current crop of Laurel Canyon's bright young things. ...evokes Neil young ere 'After the Gold Rush' while the soul baring vocals may appeal to Ray Lamontagne fans. One to watch." John Brindle – Maverick Magazine

*"He's my favourite singer... He's making music that many people won't realize they need until they hear it."
Charles Shaar Murray*
