

APALIS DUO – technical set up

We have an elementar set up, consisting in 2 Laptops and 1 Mic on stage.

The mic is effected both by digital effects coming from the Laptop #2 and by analog effects through send/return.

LINE-OUT

2 XLR (L/R) from Laptop #1 – Dj set

2 XLR (L/R) from Laptop #2 – Mic Voice

SEND

1 Send&return Aux for Analog echo effects for Voice

THAT'S ALL! THANKS...
