

MNK

TECHNICAL RIDER & STAGE PLAN

Thank you for your interest in booking a show for MNK. Below is a list of my technical requirements. I designed this rider for optimum effectiveness at the day of the show. If there are any questions or if you have trouble providing any of the below mentioned please get in touch with me before the day of the show and we will work out a solution.

I NEED:

- 1 Wireless/Wired microphone (eg. Shure SM58)
- 1 feedback-proof monitor speaker
- A qualified sound engineer.

SOUND & LIGHTING

I prefer an overall natural sound with minimal processing and effects. Lighting can be discussed during soundcheck. You can use fog effects.

SOUNDCHECK

I would need no more than 20 minutes for soundcheck including setup.

ADVERTISING AND PROMOTION

There `s a large amount of promo material I can send to you for advertising purposes. Don't hesitate to write, if you need posters or flyer and promo templates, logos or pictures in various file formats. Just get in contact with me.
