Tech Rider (Available Equipment)

This equipment can be carried to the venue and played by other artists if asked beforehand with Néant

- Microphones (Dynamic, Condensor)
- Cables (XLR; Jack; Extensions; Adaptors...)
- Marshall JCM 800 100 Watt Combo
- Fender Blues Junior III
- Stagg Bass Amp 60 Watt RMS Combo
- Drum Kit, Cymbals
- PA Electro Voice ELX

Illumination Instructions

(If the venue is equipped with a light system and a beamer)

- A Mac Book Pro (2008) will be connected to a projector which will be operated on stage from Maximus Garbers (Guitar)
- The Projector shall light directly on the members
- For this we need a HDMI to Mac Book adaptor if possible

Thanks to all of you for your help and make music happen,

-Néant
