

Bmau – Mau Bacarreza

Being one of Bolivia's most influential DJs, Bmau has been filling up the dance floors of his native town Santa Cruz since 2006. Although his passion transcends through different genres and styles, he specializes in underground house and freestyle music.

After winning the national finals and representing Bolivia in the Red Bull Three Style World Championships 2012 in Chicago, he has been behind the decks at the leading clubs and festivals of his home country.

He has played as well at several events in Peru, Chile and Argentina and has opened shows for internationally recognized artists including Steve Aoki, Roger Sanchez, Festa Bros, Nedu Lopes, Thomas Penton, Do Santos, Facu Carri, Yves La Rock, Sebastian Gamboa and more.

In 2017, Bmau has been on tour in Germany Playing on different Parties including the Prestigious dance Clubs Roonburg and Schabernack . He was also one of the performing djs at the famous Feel Festival

As a producer he has produced remixes and tracks for international labels like Kono Records, Bunny Tiger, Delicious, Daylight Robbery and Nothing But. Recently he was named official product specialist for the company Native Instruments (TRAKTOR) .

Bmau is also founder of “Outsiders”, one of Bolivia’s pioneer music movements in order to promote the local electronic scene. Since 2013 he works as DJ coach at the UPSA University, one of Bolivia’s most prestigious educational institutions.
