hospitality rider

There are normally **5-6 people** in our travelling party, so we need:

-FOOD

For 5-6 people. We are not picky, we eat everything. Rather than fast food or pizza, we would much prefer a quality meal or something home cooked. If that is not an option, pizza will do!

-DRINKS

We will be happy to get some beers and/or white wine and some water and juice.

-ACCOMMODATION

For 5-6 people. In cases when it's not included in the deal – some help or at least a few recommendations are highly appreciated!
