Award-winning Vera Jónás sways you with her tender music or makes you dance with her tiger-wild songs. After **Tauron Life festival in Poland** and an extensive festival tour in Hungary, Vera will travel with her band, **Vera Jonas Experiment**, to Asia in September and tour in Europe in November 2018, releasing new songs all throughout the year.

The band [performed three shows](#) at **Eurosonic 2017** and played at South Korea's [Zandari Festa](#). The first album, **GAME** was also released in **Japan** where they **toured in the spring of 2015**. The Experiment regularly plays in **Austria, Germany, Belgium, Romania, Slovakia** and **the Netherlands** and are frequent guests at Hungary's top clubs and festivals like Sziget and VOLT.

Last March, Vera Jonas Experiment won the **Indie/Alternative Album of the Year Award (Hungarian Grammy)**, while Vera received the prestigious **Junior Songwriter Award** of Artisjus, Hungary's copyright agency.

The band was finalist in Hungary's greatest talent show organized by **Sziget Festival** and the Hungarian National Television/Radio. She was chosen to participate in songwriting camps in Berlin and Budapest. She recorded a session for **Sofar Sounds Sessions** in Hamburg and a session for **BalconyTV** in Budapest. Vera sings the [main theme](#) of an original **HBO series** broadcast in 18 countries around the world, and a UPC advertisement. The band is constantly on tour in Hungary and abroad.

She graduated from the **London Centre of Contemporary Music School** in 2012. She was handpicked to the **OneBeat** program sponsored by the **US Department of State**, participated in a two-week workshop in Florida, and **toured the Eastern Coast of the US**.

After commuting between **London** and **Budapest**, playing live extensively with bands in both cities, she settled in Budapest and started to build her career from there. She formed **Vera Jonas Experiment** in 2011, released two LPs (**GAME, Tiger Now!**), a remix album (**Remixed**), a live EP (**Tiger Live!**) and an EP (**WANTED**). The song, *What would they do?!* was the original soundtrack of a Hungarian mainstream movie, while her featuring with highly-acclaimed Hungarian producer-songwriter Máriusz Fodor has reached the **Top30** of Hungary's top alternative music radio.
