

Technical Rider and Stage Plan

Guitar

- 1x Mic for Amplifier
- 1x Mic for Announcement
- 1x Floor Monitor
- 1x Amp riser (aka. beer crate)

Bass Clarinet

- 1x XLR with 48V Phantom power (has own pick-up mic)
- 1x Floor Monitor (required)

Double Bass

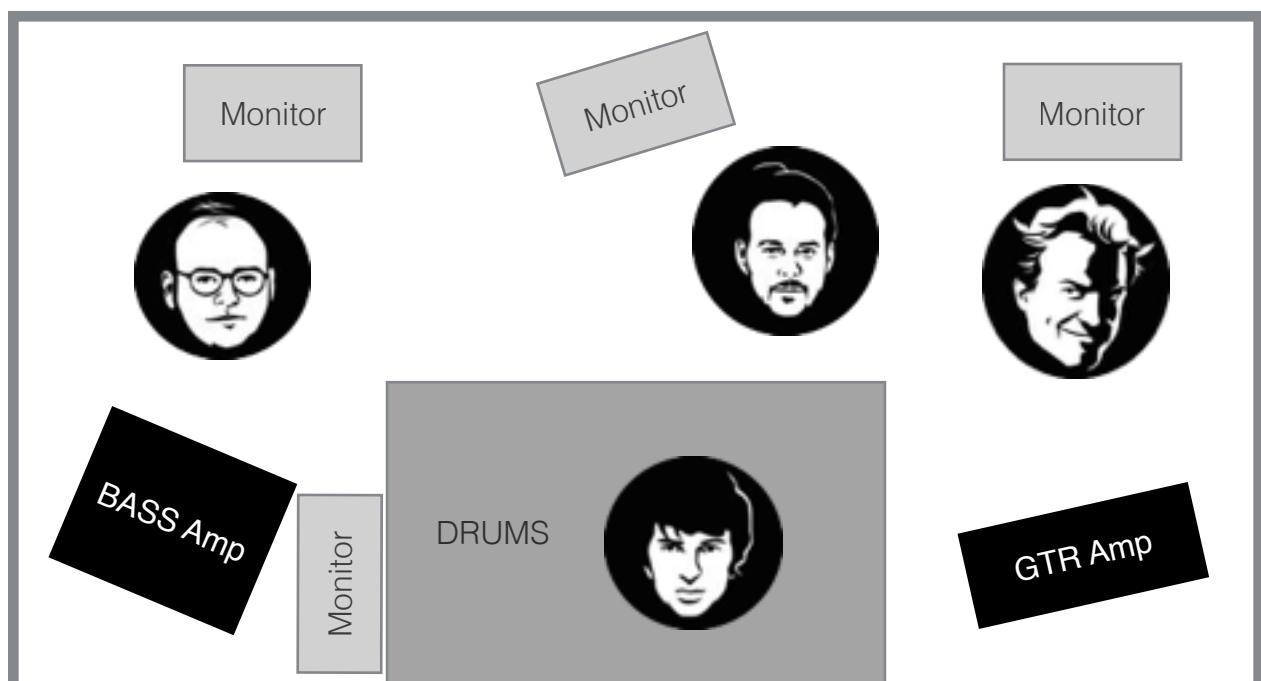

- 1x Mic for Amplifier
- 1x Floor Monitor (optional)
- 1x Amp riser (aka. beer crate)

Drums

- 2x Overhead Condensers
- 1x Kick Mic
- 1x Snare Mic
- 1x Floor Monitor

KUHN FU TRAVELS WITH THEIR OWN BACKLINE. PLEASE INFORM US ABOUT THE ON-SITE DRUMSET; WE MIGHT WANT TO USE YOURS INSTEAD OF OURS. DEPENDING ON THE SPACE, WE MIGHT NOT NEED ANY (or fewer) MONITORING OR MICS.

Hospitality Rider

Accommodation

Any hotel/hostel/B&B/"bandroom" is fine. Breakfast included please.

Wow! : 4 single rooms

Great! : 2 double rooms

Good enough : 4-beds-1-room

Parking

We travel with a Ford Transit named "Günther" and will be requiring a safe parking space. We would really appreciate it if you can provide or pay for the said space.

Important: Van height is 2.40m. Most closed garages are too low.

Food

1x Vegetarian

1x Kosher

2x Regular

No known allergies. All vegetarian/vegan is fine. Any warm meal that includes fresh stuff is great. Side salads are awesome.

Some snacks (nuts, crackers, fruits) before/after concert would be very welcome.

Drinks

We like local beers, white wine, sparkling water, tea, espresso, Fritzkola drinks, schorle, juices. Not much and nothing fancy.

Spoil us!

A bottle of whiskey or local schnapps does the trick. As well as great chocolates. Some drinks and snacks to take in the tour van would be very very appreciated.
