## CATERING RIDER

If not stated otherwise, our travel party consists of 4 people.

We really don't need much to be happy, so please don't trouble yourself on our account. Still we would be very happy with the following:

- 4 PEOPLE -

1. Get-in catering: We leave it up to you (and your inventory) to surprise us with a little something, including vegan food.
2. Enough water (without gas) for the stage.
3. Fresh towels.
4. Some beers
5. Four (warm) meals

Thank you in advance for your caring.  
We promise to pay you back on stage.
