# BIOGRAPHY

**TY IS A COMPOSER OF ELECTRONIC MUSIC IN THE STYLES OF TECHNO. WE ARE SPEAKING OF A 23-YEAR-OLD WHO HAS BEEN COMPOSING MUSIC SINCE THE AGE OF 16.**

**SINCE HE STARTED HIS CAREER IN 2010, TY HAS BEEN AT THE DOORSTEP OF TECHNO IN SPAIN. DURING THESE YEARS HIS SETS HAVE BEEN PLAYED IN MANY VENUES, FESTIVALS, PRIVATE PARTIES AND SHOW CASES, SHARING THE STAGE WITH MANY FIRST LEVEL ARTISTS OF TECHNO AND SUB-GROUND.**

**WHEN WE TALK ABOUT TY, WE ARE TALKING ABOUT A TRIPLE-DECK LIVE SHOW, WHERE HE REFLECTS A MIX IN BETWEEN DIGITAL AND ANALOGUE FORMATS. THE MAIN FEATURE OF HIS SETS IS THE SPEED OF MOVEMENTS AND VERSATILITY TO INCLUDE DRUM MACHINES AND ANALOGUE SYNTHESIZERS.**

**HIS SPECIALITY IS DARK AND RAW, BUT HE ALSO CULTIVATES OTHER FIELDS OF TECHNO SUCH AS THROTTLE, INDUSTRIAL AND EXPERIMENTAL.**

**IN REGARDS TO HIS PRODUCTIONS, TY HIGHLIGHTS HIS REFERENCES WITH LABELS SUCH AS PLASMA POOL, OTOMO TRAX, SUBSPEC MUSIC, OBSKUR MUSIC AND ONISM, WHERE YOU CAN FIND THE MOST PERSONAL VISION OF THE GENRE THAT HE LOVES.**

**TY TELLS US THAT EVERY PERSON HAS A DIFFERENT WAY OF ENJOYING HIS MUSIC, BUT THE BEST WAY TO LISTEN TO IT IS ATTENDING EVENTS TO DANCE TO HIS TRACKS WITH HIM!**
