

New Album „TOHU BOHU“

Label: Panta R&E

Autumn 2018

Produced by David Furrer

Englisch:

Wherever the „Ark Fictionplay“ lands, massive riffs collide with fragile vocals and rabid arrangements with rhythmic calculation. People defected from Mainstream are dancing ecstatically into the exile and dusty listening habits get abandoned once and for all.

„Shake Shake! Let the earth quake.“ The Fictionplay invites to stomp and to dance – until plates shift. On the Richter scale the music of the four Austrians oscillates from innovative rock to progressive pop ballad. Energetic, impulsive, stirring.

Our new album „TOHU BOHU“, produced by Austria's famous producer David Furrer (Gospel Dating Service, Mother's Cake, Milk+ etc.) will be released in autumn 2018 at the label Panta R&E. As well as our single „Shake Shake“, with a video by Martyna Trepczyk/Apesframed, in May 2018.

Already played concerts & festivals in and out of Austria with: Cold War Kids, Mother 's Cake, Dennis Lyxzen, Sauropod,...

The Fictionplay (AUT)

...ist mehr als der gute Umgangston eines atomisierten Zeitgeistes. Jener Moment, in dem sich Alternative-, Postrock und Pop in einer Kettenreaktion entladen um in allen Farben und Facetten zu detonieren. Wo die vier Jungs live ihr Unwesen treiben prallen wuchtige Riffs auf fragilen Gesang, schwere Drums auf fliegende Soundteppiche und tollwütige Arrangements auf rhythmisches Kalkül. Da tanzen sich Mainstream-Abtrünnige extatisch ins Exil, werden Ohren wachgerüttelt, Augen geöffnet und Schlagzeuge umgetreten.

„Shake Shake! Let the earth quake.“ The Fictionplay fordert den Zuhörer auf zu stampfen und zu tanzen – bis zur Plattenverschiebung. Auf der Richterskala oszilliert die Musik der vier Österreicher zwischen innovativer Rock-Naturgewalt und progressiver Pop Ballade. Energetisch, impulsiv, mitreißend.

Im Herbst 2018 erscheint das neue Album „TOHU BOHU“ beim Label Panta R&E, produziert wurde es vom erfolgreichen Produzenten David Furrer (Gospel Dating Service, Mother's Cake, Milk+ uvm.). Im Mai 2018 erscheint die erste Single „Shake Shake“ mit einem Video von Martyna Trepczyk/Apesframed.

„... building up pressure, generating impact, that's well done here, extraordinary work! From now The Fictionplay will earn my support ...“ – Martin Blumenauer, Radio FM4

„Their sweat-pumping Rock-n-Roll seems like it's gone to school in Scandinavia and still challenges the masters in speed and action. From time to time theres a calm moment inbetween to pause... but in the main The Fictionplay are sweaty Large-Hall-Rock!“ – planet.tt

„As a live act The Fictionplay are an impact. Merging british indie rock with progressive madness.“ – szene1.at

„Singer Dominik Essletzbichler kidnaps the audience with his energetic singing and his expressive moves into a mood-painting world of music. An interesting mix of indie rock, harder guitar-riffs, progressive-melancholic, but still very energy-loaded sounds“ – C.U. and T.M.G.

„From fragile to pent-up – you'll find it here ... and in the end everything amounts to a great whole.“ – enemy.at
