**Technical Rider**

First of all, thank you for booking a show with Alibi-Trax, below is a list of our technical requirements. It might sound a bit formal to you, this is not meant to cause any inconvenience on your behalf. We designed this Rider for optional effectiveness at the date of the show. If there are any questions or if you have problems providing any of the below mentioned please get in touch with us before the date of the show and we will work out a solution.

**Sound & Lighting**

As we are mainly an electronic band our setup is quite simple. We just need 11 DI boxes for all the keyboards and laptops and 3 microphones with some reverb and compression on the vocals. We assume that there is a well sized PA system provided with sufficient power. We will need a monitor each for Bill, Rosie and Alan and then another monitor each side for Rosie and Bill. The monitors should have an equal mix of Bill and Rosie's keyboards in each plus guitar or bass. Lighting can be discussed during the sound check.

**Staff**

We will need a qualified sound engineer, stage technician and light technician. At the moment we do not have a regular engineer so we depend heavily on the staff on-site.

**Sound Check**

We will need at least a 30 minute sound check. 60 minutes including setup would be perfect if possible.

**Arrival**

Please provide address of the venue and a telephone and email contact also. We need safe and free parking space available for our vehicle close to the venue. Please provide arrival, sound check, door opening and stage times.

**Food & Drinks**

Three (3) hot and healthy meals

Minimum of 10 bottles of cooled, non-carbonated water for stage and backstage

Case of local beer

**Back Stage**

Clean dressing rooms, preferably with a separate dressing room with toilet, sink and shower

**Accommodation**

2 hotel rooms or clean and quiet accommodation for three people with beds, bathrooms and showers would be preferable. A safe parking space near or on the accommodation would be very helpful

**Merchandise**

A table with two chairs in a well lit area for our merchandise. Preferably in the same room as the show

**Miscellaneous**

A guest list for up to 6 people
