Technical Rider (1 Piece) 2018 vBeta

The following equipment list is to be provided by the promoter.

1. Misc

- 1 stage talkback microphone.

2 – Monitors

2.1 – Mixing Console

1x Analog FOH mixer preferred, minimum 12 inputs and 4 outputs. If a monitor console exists we will prefer to use it if it is be operated by a professional monitor sound engineer provided by the venue. Otherwise we prefer to manage all monitors through the FOH console.

2x BSS DP404 quad compressor

2.2 – Monitor Wedges

- 2x bi-amped 15" monitors providing at least 350 Watt connected on 1 (one) different mix buses.

3 – Backline to be provided by the promoter

3.1 – Guitars:

- 1x Fender Twin Reverb or Vox, Raised with a case
- 2x Guitar Stands

4 – Risers

- 2x two meters by one meter risers placed at the center of the stage

5 – Misc

- 1x armless wooden chair, old design
- 1x wooden small coffee table, classical design (no IKEA!)

5 – Contacts
