MY OWN GHOST - Catering Rider

In My Own Ghost, we believe strongly in giving 110% and putting on a great show that everyone will enjoy. For this reason, we have listed the following needs, so we can give you the best show possible.

CREW

We are a crew of 4-6 people, including 4 band members, a sound technician and a stagehand.

CATERING

Food:

- We prefer one warm meal, approximately 90 minutes before showtime.
- We don't have any special dietary requirements.
- We appreciate hot tea or a hot water source, some honey, fresh ginger and a few fresh lemons for our singer.
- A selection of fresh fruit and/or snacks would be highly appreciated.

Drinks:

- We require full access to alcoholic and non-alcoholic drinks.
- We require that during our show we have plenty of still water on stage.

PARKING

We would appreciate if there was parking space near to the venue for one vehicle (small bus), at no cost to My Own Ghost.

If there are any problems or questions, please feel free to contact us per mail or by phone!

Best,
My Own Ghost
