Violin	DPA 4099C In-ear	Armless High Stool
Piano Or Keyboard	Piano or Yamaha ES	* using piano or keyboard is depends on the setlist

## MONITOR SYSTEM

We would prefer Meyer sound wedge speakers on stage, if possible stage sound should be as clear as possible with no effects on monitors. Also would like to have enough monitor level as long as they do not interfere with the FOH- especially for main vox.

**PLEASE NOTE** that the bassist and the guitarist switch positions back and forth. (Will notify which songs), the volume level must be rechecked every time for each song when they swap their positions.
