### LIGHTS

Lights are a very important part of our show! Strobe, white flashes, Sunstripes, HAZE is always welcome for fast and energetic songs. We especially like white and blue for the rest, no red please. For the rest, be creative! We will certainly love what you do! <3

### MEDIA

All permissions to shoot or record the show must be agreed in advance with the band. The band generally appreciates being filmed or recorded and getting a copy after the show.
