1x 10" Splash Cymbal  
One pair of 15" Hi-Hats

Cymbals may vary. All Paiste (900, 2002, Rude, Alpha)

## **Others:**

We would need

- monitoring (at least for the singer and the drummer)
- local sound (FOH). If available, surely local light is welcome, but we manage to rock with the standards, too!

Ideally we can have

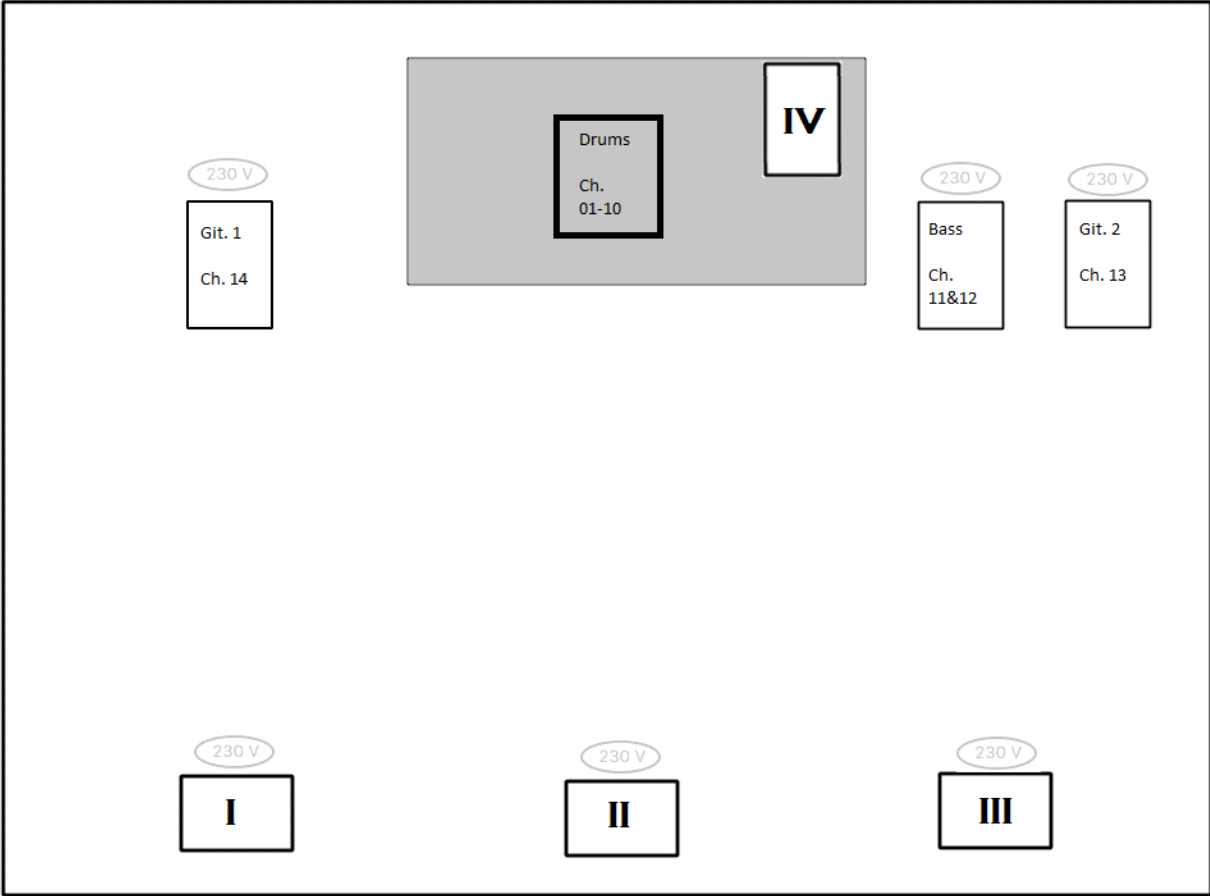

- Split from the Main Vocals to a different Channel.
- suspension gear for the "Rezet-Logo-banner" in the back, behind the drums
- We bring a MP3 Player and a USB Stick with our Intros. It will be appreciated that the FOH has a way to play them.
