

# L I O N E

Between Folk & Pop, L I O N E is a french singer songwriter.  
She started playing music with a cassette player by recording her voice.  
Later she has learned guitar and started playing songs of Tracy Chapman and others from the 80's & 90's Pop/Folk that still remains the core influence of her music.  
Recently settled down in Berlin (Germany) to work on her first Solo EP (expected in 2019), she is exploring different ways to compose, arrange, produce her music and performing live, Solo, Duo or Trio.
