

TECHNICAL & CATERING RIDER

We are 5 members touring.

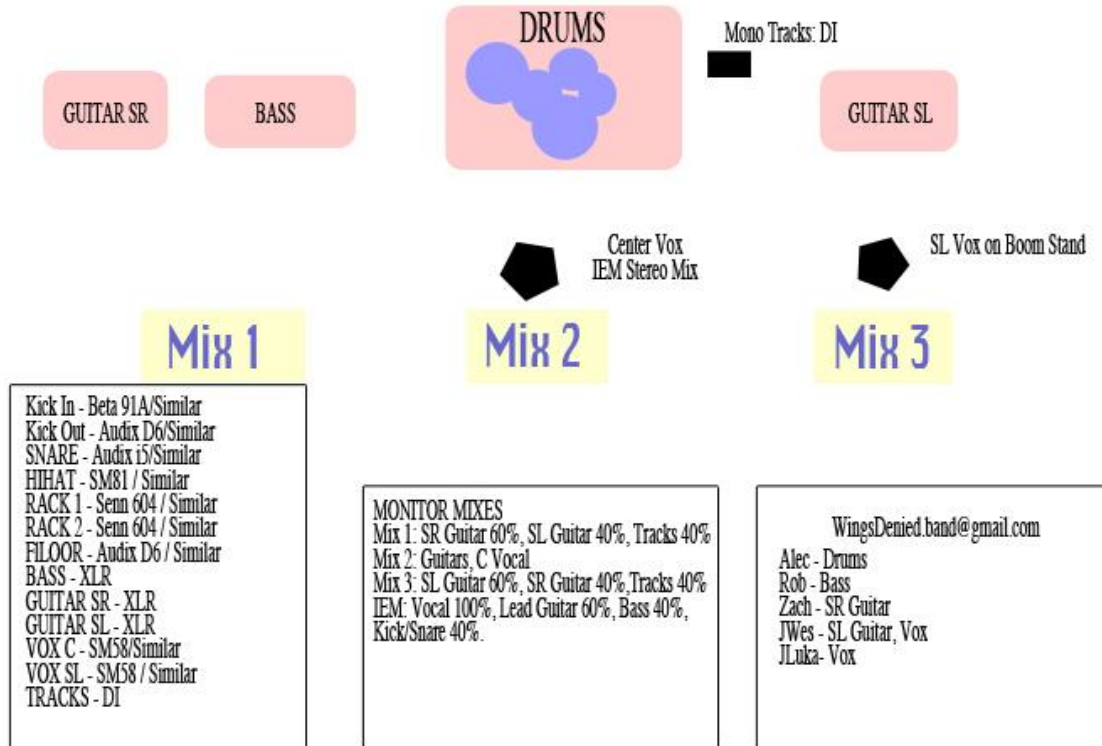

We will need **safe and secure** parking for one van with a trailer.

We carry all our own backline and prefer to use our own gear whenever possible.

We will be carrying and selling our own merch – we require a space to do so.

Below are inputs sheets and stage plots.

Our singer uses in-ear monitors.

Unless otherwise stated by the venue all recording, filming, and photography are welcome during our entire set.

Meals/buyout, bottled water, and drink tickets are always appreciated. Please note, we have one member with a **severe nut and shellfish allergy**, we also have another member with a **bean allergy**. **Both members will identify themselves upon request.**
