

ALL WE NEED IS :

- One Dj Desk (95cm – 110cm height) or a Roll Case
 - 1 Microphone Stand
 - 1 Marshall Amplifier (JCM Series - only for guitar)
 - 3 Active or Passive Stage Monitors (only for our master output)
 - 4m-6m Microphone XLR Cable
 - 6m-8m Mono Jack Cable
 - Our Master Output - 2 mono jacks (only balanced cables) -Left & Right
- * To control passive monitors's input volume you'll need a mixer and special amplification !

Backstage :

One bottle of Glenfiddich Whiskey with ice & ten (0.5l) bottles of still water.
