

TECH RIDER / STAGE RIDER

DAN ROSE (solo-artist) (vocal+acoustic guitar)

**CAN PERFORM COMPLETELY UNPLUGGED
WITH ONLY ACOUSTIC GUITAR AND VOICE.**

FOR A VENUE/STAGE, THESE ARE THE PREFERRED GUIDELINES:

- 1 vocal microphone + 1 microphone stand, placed front and center (incl. appropriate cables)
- 1 monitor (if available)
- I play on a semi-acoustic guitar, which plugs into my own DI with reverb/chorus effects. From that, the venue gets a jack output from me.

Music style: energetic strumming on all strings and only some finger picking elements
