

...is creative union of musicians from Minsk that is inspired by the rare musical gems from around the world, creating songs at the intersections of simplicity and experimentation. Their latest album "II" is out May 14th, 2019.

The band had performed on the biggest music festivals of Moscow (Большой), Kyiv (Atlas Weekend) and Minsk (Stereo Weekend) and showcases (Tallinn Music Week, Moscow Music Week)

"II", Masterskaya, 2019

"II" has a context of profound multicultural analysis and wide stylistic background. References to música popular brasileira, Ethiopian jazz, krautrock, Italian psychedelic soundtracks and Japanese early electronics have motivated ground and convey the message of the album from symbolical perspective.
