

DjBisi | RIDER

If you have any problems to fulfill the rider please contact the artist or his manger as soon as possible.

DJ Setup | Equipment:

Mixer: Pioneer DJM S9 / Pioneer DJM800 (or bigger)

Turntable or CDJ'S: 2x Technics 1200/1210 or Pioneer CDJ 1000 (or bigger)

Dj Bisi is playing on Serato-DJ. If there is no DJM S9 Mixer available, there should be a Serato-Box already installed in the DJ-Booth, ready to plug in the notebook. The DJ-Set has to be horizontal. The setup has to be on the same level. (not lower than 85cm from the bottom) Please make sure that there is enough space on both sides of the DJ-Setup for extra equipment. (*such as Notebook. Notebook-Stand, Controller etc.*) The location needs a sufficient sound system. We require 1x adjustable monitor-speaker, which cannot be located the on the ground.

Recording: It requires the permission of the artist for recording his set. It is not allowed to record the live performance of the artist. It is not allowed to public / share the recorded performance of the artist.

Security: Please make sure that the safety of the artist, his guests (*manager, girlfriend, driver*) and the equipment is guarantied at all the time.

Hospitaly: One meal before the gig, unlimited sparkling water, non-sparkling water and soft drinks, one bottle of liquors (artist's choice)

Guestlist: The artist can put at least 10 guests on the guest list / VIP Area.

Hotel requirements: The artist needs at least a hotel with a 4 star ranking - Double room / twin room / non smoker / incl. breakfast & late-check-out

Please provide these instructions on stage at least 15 minutes before show time.
