ABOUT US:

KHANDA consists of 1 DJ and 4 helpers (Technician, Security, 2x Merch, 1 x Photo / Video).

OUR WISHES: As you know, the setting has to be right to do a good job. And that is exactly what we have in mind at your event. :) We are very easy-care and look forward to a few little things to make ourselves comfortable with you. Here is a small list of things we want. And do not worry, M & Ms go in all colors ;-)

FOOD: »On arrival sandwiches (sausage & cheese)» 1 warm meal (no fast food) before or after the gig for DJ + crew »Some fruit / sweets

DRINKING: »Various cold soft drinks (coke, water)» 12 cold cans RedBull »10 x 0.5l still water for the stage» 1 box of cold Water (gladly Water with Gas like Vöslauer, San Pellegrino etc.) »If possible coffee / green tea

OTHERS: »WiFi would be great» The DJ needed a lockable, clean backstage area, which offers the opportunity to move in peace

- 1 mirror in which one can see each other completely (stage outfit)
- 3 towels (dark / black) for the stage would be great
- We are happy about a clean way to take a shower after the gig, including towels
- 3 guest list places
- 1 table + 2 chairs in the merchandise area IMPORTANT !!!
