

TECH RIDER 2019

2 vocals

1 electric guitarist

1 drummer with acoustic drums + Spd-sx drumpad

We'll bring:

1 electric guitar Cymbals and spd-sx

We'll need from the organizer:

Monitoring

Singer - monitor

Guitarist - monitor

Drummer - He'll need a stereo aux line from the mixer to the Spd-SX for his in-ear monitoring.

Drummer

Standard drum backline

2 DI mono or 1 DI stereo linebox for the spd-sx

2 tele cables for the spd-sx

Guitarist

A tube amplifie. Would be great if it was a fender twin/super reverb

Guitarstand

Chair

Microphone + mic stand (he'll do the harmonies)

Microphone + mic stand for the amplifier

Lead singer:

Microphone + mic stand

If there's any questions, please ask us. Would be nice to have some communication with the sound engineer as well before the gig.
