Dress room or backstage, with the security

Some help with our staff

Catering

There is one member in the band who is allergic on gluten.

Outside festival:

6x mineral water with gas

6x mineral water without gas

Vegetables or fruits.

1x hot food (without gluten)

5x hot food (normal)

the possibility of draft drink in the areal for free

Concert in club:

Assorted cold cut and cheese platter with vegetables or if there is the possibility to have food from bar.

6x mineral water with gas

6x mineral water without gas

or

the possibility of draft drink in the club for free

The other type of event according to previous agreement

The other equipment which is needed and for some reason it is imposible to take it - according to previous agreement

Thank you a lot
