QUIXOTIC is one of the first producers in Hungary who discovered the world of new retro wave. He's obsessed with the 80s and all kinds of its genres, ranging from synth pop, electro over metal, new wave and at last but not least synthwave. His top hit "PALMS" one of the most popular synthwave tracks worldwide with more than 7.8 million views on YouTube. Quixotic also shared the stage with headliners like Carpenter Brut, Com Truise, Danger and his Hungarian fellow producer Lazerpunk, he also played at Sziget festival after Perturbator. Quixotic did shows abroad in Ukraine, Slovakia, Russia, Poland and Czech Republic.

His debut LP "FLAMINGO DRIVE-IN" is out now and ready to play shows all around world.
